All
 I do not have any edits to the template, however I have forwarded it to my management for their input. I think that Mel Brown maybe talking with Allison about the letter later today. (?)

Thanks,
 Abby

Hello everyone,

This version of EPA's template memo has been cleared by our HQ Office of Public Affairs. Please let me know by 10 eastern today if you have any concerns with its contents. We will start populating the templates at that time. Thanks!

Best wishes,
Heather

Subject: FYI: Template of EPA Memo to Residents with PFAS Results - pending EPA Public Affairs approval

Hello EPA and MDEQ Technical Wolverine Contacts,

Thanks for meeting this morning to coordinate our efforts. Attached is the most current version of EPA's data memo that we would like to send to the 16 homes where EPA collected drinking water samples analyzed for PFAS. The template is still awaiting approval by EPA's Office of Public Affairs in HQ so please do not disseminate too widely. I will let you know when we receive OPA approval and if there are any revisions. We now have the final QA/QC'd data so we hope to get these memos out by Wednesday. Please let me know if you have any questions.

Best wishes,
Heather
